<p>I thought the game and awesome! The screen effects really made the story come to life. And it wasn't &#128535; boring where you just want to skip it through and move on, you really want to read it and see &#128535; what was happening! But there was only one problem, which caused me to delete the app. When you first open &#128535; the app, they ask for your age, one of the options is 18 and under. So I click that and &#128535; I start my first story. I really liked it! The story was well played out and I laughed a little &#128535; too. But the only problem was that the F word was put in there at least once in each story. &#128535; I think that is extremely disappointing that they would do that. If you click 18 and under, I expect the &#128535; creators of the app to eliminate all the F words and maybe more swears, I say this because 18 and &#128535; under does include 10 year old, and younger as well. I do not think it is appropriate</p></p>
