FOX Sports on Tubi - TV ao Vivo

Channel Finder - FOX Sports foxsports : acesso instantâneo

FOX Sports on Tubi - TV ao Vivo

Your brain processes your emotions, and when you're happy it sends a message to your mouth to form a smile. But what you might not know is that it actually works the other way too.

Consciously making your mouth form a smile transmits signals to your brain that you're feeling happy.

Consciously making your mouth form a smile transmits signals to your brain that you're feeling happy.

Consciously making your mouth form a smile transmits signals to your brain that you're feeling happy.
