What does +1.5 handicap mean? A +1.5 handicap means that 1.5 goals or points will be added to the full-time score for that game. For example, if the game finishes 2-1 and your team has only scored 1 goal, then 1.5 will be added to create an adjusted final score of 2-2.5, meaning the bet now wins.

Golf handicaps are a number that represents the golfer's ability based on their previous golf round's scores. It serves the purpose of comparing your performances with other golf players. For men, your golf handicap is generally between zero and twenty-eight, and, for women, between zero and thirty-six.
