1v1.lol is a competitive online third-person shooter where you build your way around the map tactically. You can build platforms, ramps, and walls to aid your defenses and gain an advantage. The main game mode is 1v1 battle royale, where the winner is the last player standing.

It is possible to play the full game without paying, though some exclusive character and weapon skins can only be bought with COD Points. Apart from standard matchmaking, a private room for both the multiplayer and battle royale modes can also be accessed where players can invite and battle with their in-game friends.
