Why did Google remove the game? As stated previously, the game's graphics and general gameplay resembled that of Garena Free Fire. So, when it was removed from the Play Store, there were concerns that it was due to a complaint made by the management at Garena, claiming the game to be a Free Fire clone.

The game apparently didn't comply with Google's Developer Program Policy, and google found many of the in-game assets to constitute IP violations, and was too close to Garena's Free Fire, stating some assets were even ripped from the game.
