Neymar was also linked with a move away from PSG after his average performances last season and reports claimed Mbappe too had a role to play in trying to push the Brazilian out. However, Campos has denied the rumours and said Neymar was never on his way out of PSG. "No."

Did Kylian Mbappe want Neymar out? PSG's football advisor Luis Campos ...

Meanwhile, Mbappe had demanded that PSG get rid of Neymar, as he considered that the Brazil international has been weighing down the whole team. That's why PSG tried to find buyers without any success. Having realised that in order to stay at the club he should step up, Neymar has hit the ground running this season.

The reasons behind Mbappe's frustration: Why does he want to ...
