[Niels Bohr and Max Planck](#), two of the founding fathers of Quantum Theory, each received a Nobel Prize in Physics for their work on quanta. Einstein is considered the third founder of Quantum Theory because he described light as quanta in his theory of the Photoelectric Effect, for which he won the 1921 Nobel Prize.

Through everything, the Winchesters always stick together. Of course they fight, what family doesn't, but at the end of the day they know that family is all that matters. Family will be there when you really need them and never give up on you, even if you're possessed by evil incarnate.
