<p>l thought the game and awesome! The screen effects really made the stor

y come to life. And it wasn t 👍 boring where you just want to skip it t

hrough and move on, you really want to read it and see 👍 what was happe

ning! But there was only one problem, which caused me to delete the app. When yo

u first open 👍 the app, they ask for your age, one of the options is 18

and under. So I click that and 👍 I start my first story. I really like

d it! The story was well played out and I laughed a little 👍 too. But t

he only problem was that the F word was put in there at least once in each sto

ry. 👍 I think that is extremely disappointing that they would do that.

If you click 18 and under, I expect the 👍 creators of the app to elimin

ate all the F words and maybe more swears, I say this because 18 and 👍

under does include 10 year old, and younger as well. I do not think it is appr

opriate to add those 👍 types of swears into the younger category. It s

a bad influence on children and really dangerous when you expose them 👍

to that kind of language. So I think that they need to fix that immediately. It

s ruined the app experience 👍 for me. If they update it, and eliminate

the F word from 18 and under category, I will gladly play 👍 it again

.</p>

<p>Sincerely,</p>

<p>A disappointed player.</p>
