Activision has been chargingR\$70 for the current ge

n console version of Call of Duty for the last two years, but Modern Warfare 2 i

s the first time that price will extend to the PC. The PC has long been a holdou

t for arbitrary game price increases.

is jumping on the price hike bandwagon and players aren't happy about it

. Unfortunately, the simple answer as to why MW2 is set at such a high price is

that \$70 has become the new standard for triple-A games
