<p></p><p>About game «Age Of War»</p>
<p></p>
<p>Well, to be honest, the name of the newest Age of War game, whose main objectives 🌝 are to defend your own kingdom and vanquish the opposition, is very lame. Let's attempt to explain our reasoning. The 🌝 answer is straightforward: after beginning the battle, we got so engrossed in it that we spent an hour or so 🌝 working to solve the puzzle. What drew us in so strongly that it was challenging to leave. The first is 🌝 enjoyable since it introduces you to amusing characters who are struggling to survive. The second is that we gradually moved 🌝 into the era of knights after the battles of primitive people with the aid of everyday weapons like sticks and 🌝 riders on dinosaurs, then there was the era of musketeers, the era of common warriors with machine guns, the era 🌝 of tanks, and the final era - space warriors!</p>
<p></p>
<p>You have a set amount of money at your disposal, which you 🌝 can employ to build a sizable or merely numerical army. Additionally, there will be three different sorts of soldiers in 🌝 every era save the last two, and four to five in the latter two. Tanks and super warriors will be 🌝 present in the latter.</p>
