First, taking about Alaba's stats. Since becoming one of FIFA 21's fan favorites, since his statistics haven't changed drastically despite moving two years forward. Also, as with most established top-tier players in the game, many special cards have been dedicated to him in promos at this stage. The FUT version currently underway even includes 2 past cards better if wondering how much they weigh in one's club.

Alaba's current card costs 6,000 FUT coins on the Xbox market. This doesn't represent a large difference from previous special cards, but then his 72 pac, 63 PS, and 60 DRI don't change much to vary the more the review progresses; the Austrian remains relatively affordable, most likely because of a moderate league and nation league. After a well-being series following Marco Reus, and continuing as one of their German stars, Borussia could not agree to terms, a scenario not too foreign for long-tenured Madrid midfielder Toni Kroos, after joining right after Gareth Bale and opening many top players' career paths forward inside the white comeback of some of the club's most illustrious members. Reports indicate Manchester City will not acquire his services either until Guardiola consents.

Not that Alaba is or isn't Real Madrid property, he has admitted he wished players were not forced to choose. This is particularly true given Alaba is usually very close to veteran playmaker Luka Modric, as Alaba follows.

Note that David doesn't play on three fronts in FIFA due to his three skill moves. A story can paint various representations of certain
