First, taking about Alaba;s stats. Since becomin

g one of FIFA 21;s fan favorites, since his statistics haven;t changed d

rastically despite ; moving two years forward. Also, as with most estab

lished top-tier players in the game, many special cards have been dedicated ;

8477; to him in promos at this stage. The FUT verison currently underway even i

ncludes 2 past cards better if wondering ; how much they weigh in one&

s club.

Alaba;s current card costs 6,000 FUT coins on the Xbox market. This

doesn;t represent ; a large difference from previous special cards

, but then his 72 pac, 63 PS, and 60 DRI don;t change much ; to var

y the more the review progresses; the Austrian remains relatively affordable, mo

st likely because of a moderate league and ; nation league. After a wel

lbeing series following Marco Reus, and continuing as one of their German stars,

Borrusia could not ; agree to terms, a scenario not too foreign for lo

ng-tenured Madrid midfielder Toni Kroos, after joining right after Gareth Bale &

128477; and opening many top players;s career paths forward inside the whit

e comeback of some of the club;s most illustrious members. ; Report

s indicate Manchester City will not acquire his services either until Guardiola

consents.

Not that Alaba is or isn;t Real ; Madrid property, he has

admitted he wished players were not forced to choose. This is particularly true

given Alaba is ; usually very close to veteran playmaker Luka Modric, a

s Alaba follows.

Note that David doesn;t play on three fronts in FIFA ; due

to his three skill moves. A story can paint various representations of certain

Real Madrid legends past.
