&lt;p&gt;Warfare 1917 is a fun game of strategy, tactics and war. You are a military general in &#127774; World War I and it is your duty to command your troops and lead them to victory. Before you start &#127774; each battle you can upgrade your units. During a battle, you must deploy your troops to the trenches and help &#127774; them advance across the battlefield to defeat the enemy. Your troops will only advanced when you have a certain number &#127774; of soldiers in one place.&lt;/p&gt;  
&lt;p&gt;Keep pressure on your enemy and keep your troops advancing. You must use a combination of &#127774; troops to advance - don&#39;t simply use one type of troops - try using everything at your disposal such as &#127774; riflemen, assault troopers and mortar troopers. Also remember to make use of your special abilities such as a mortar strike. &#127774; This game is fun but also tactical and it will really make you think about your troop deployment and options! &#127
