Let's attempt to explain our reasoning. The 💸 answe r is straightforward: after beginning the battle, we got so engrossed in it that we spent an hour or so 💸 working to solve the puzzle. What drew us in so strongly that it was challenging to leave. The first is 💸 enjoyable since it introduces you to amusing characters who are struggling to survive. The second is that we gradually moved 💸 into the era of knights after the battles of primitive people with the aid of everyday weapons like sticks and 💸 riders on dinosaurs, then there was the era of musketeers, the era of co mmon warriors with machine guns, the era 💸 of tanks, and the final era - space warriors!</p><p></p><p>You have a set amount of money at your disposal, which you 💸 c an employ to build a sizable or merely numerical army. Additionally, there will be three different sorts of soldiers in 💸 every era save the last two, and four to five in the latter two. Tanks and super warriors will be 💸 present in the latter.</p><p></p></p>
