Well, you will have a lot of levels in this game, and in the center of attention as the main character, you will have a man you apparently need your help.

He needs to get to the finish line so to say on every level but the tracks are very difficult and you will have a lot of dangers and obstacles in your way, so you have to be very careful because this is not just a game, it is like this man has been kidnapped and now you have the chance to help him escape if you avoid and pass all the obstacles.
