Our FPS Games contain loads of exciting game modes, different maps, customizable weapons, and much more.

Our FPS Games can all be played for free and online on the PC. Some of them can be played on Mobile Phones and Tablets as well. The overview can be found in the FAQ below.

What are First Person Shooter (FPS) Games?

First Person Shooter (FPS) is a sub-genre of Shooter Games. However, FPS games are played through a first-person perspective. Play through the eyes of the main characters and enjoy the 3D gaming experience. Use your fists, wield a knife or carry a machine gun and fire away! These games are often played online against other players.
