Our hair games are designed with the style-savvy fashionistas in mind.

You

can use your fashion sense to give virtual characters haircuts, dye jobs, and even full

makeovers! Take control of your very own salon and manage other stylists to keep your

customers happy. All of our salon games feature colorful graphics and a large selection

of styles, keeping you busy and happily entertained. Use professional salon tools such

as hairbrushes, blow dryers, and curling irons. Our games are available on our website and

on our mobile app.
