The game is similar to candy crush, except that instead of candy, we have Harry Potter characters. The game is #128180; structured on levels, which have an increased level of difficulty as they are passed successfully. At each level, you will #128180; have a limited time to solve it. You will have to match at least 3 characters in the same row #128180; to earn points. Try to solve the level as fast as possible so that in the end you make sure #128180; that you manage to win it.</p><p>Here you will also meet boosters or special powers that you receive as a gift #128180; depending on how many characters you join in the same row. For example, if you manage to unite five characters #128180; in the same row, you will receive extra points and extra time to continue the level and manage to collect #128180; more coins. The game is suitable to be played with your friends because they can also give you hints to #128180; help you identify the matches in the game map faster. You will also have fun together and be able to #128180; test your attention together.</p><p>Enjoy it!</p><p>How to play? use the mouse</p><p>Related Categories</p><p></p><p>Introdu#231;#227;o ao Amistoso da Sele#231;#227;o Brasileira</p><p>O Amistoso da Sele#231;#227;o Brasileira #233; um evento muito esperado pelos fãs e adeptos do /, futebol do Brasil.
