Dragon Story is a casual game

where you can create your own forest, inhabited by dragons. For this, you need to buy dragon eggs, hatch them, raise them and give them a proper place to live.

Each type of dragon (white, blue, red, yellow) has its own special habitat.

This game is basically an

simulation role playing game for everyone. As the player,

your goal is to build a dragon city and fill it with buildings, farms etc. You

will collect and train baby dragons and grow them into grown beast to defend you

in PVP battles.
