Shark io is a multiplayer shark based battle arena game where you take to the waters against other sharks to see who is the true King of the Sea! Choose your weapon from a series of really cool horns and also customise your character to turn into other sea (and some not so sea) creatures! Don't forget to use your speed boosts to get ahead of the competition. Build up your boost bar by collecting the white objects in the water and increase your score by collecting the stars! Can you become the apex predator?
