Additionally, there is no provided information about the history the lottery or previous winners, which could give insight into how the game is played and the chances of winning. Further research or input from a knowledgeable source would be necessary to address and complete the text. Finally, the article does not offer an engaging tone that could make it difficult to pull the reader in the subject. A few suggestions to improve the text that could be considered the following:

- include details about the drawing process, odds of winning, and the probability of winning;
- Include more specific information about the history of the lottery, such as when it was founded, notable winners, and interesting stories from past winners;

- Incorporating interesting stories of past winners would make the lottery more personal. Instead, to engage the reader and give them a chance to imagine themselves winning, you could use narratives;

- Incorporate visuals: Embedding images and videos about the lottery, list would be a great way to present the information.
