It is usually said that the whole Western Hemisphere usually says "United States of America", which is not an official name. Why do so many people in Mexico always refer to it as "Estados Unidos"?

In Spain, people commonly refer to the USA as "Estados Unidos", which translates to "United States".

A Aviator Company is one of the main software development and provider of digital solutions for highly regulated industries, including online and sports. Recently, the Aviator announced a strategic partnership with Parimatch, one of the leading online sports betting platforms in the world.

The partnership aims to strengthen the Aviator's online presence in the gaming and betting industry, providing technological and software development services personalized for the Parimatch platform. This includes the creation of a robust and secure payment and account management system, as well as the development of personalized online casino games and sports betting platforms, along with solutions for payment and account management.

Parimatch, through its Aviator technology and software development, will be able to provide a user experience that is even better and more engaging for its players worldwide. The company will also have access to the most recent innovations and technologies in gaming and online betting, which will give it a competitive advantage in the highly contested market.

In summary, the partnership between Aviator and Parimatch represents a win-win for both companies, bringing significant benefits in terms of growth, innovation and success in the gaming and betting industry.

It will take 1 to 3 business days, depending on the bank. As for the bank transfers, they generally take 1 to 2 business days to be completed. The amount of time it really takes to receive the money from Apple Payout depends on the transaction.
