<p>Storm Land is in danger. Monsters are flooding into this land and aiming to take over it. Its fate is 🎉 in your hands. It's up to you to protect the peace of Storm Land. Here at friv online, you have 🎉 only one tower to defend this land. You have to do everything that you need to do to protect it. 🎉 So, the tower is placed in the center of the battlefield and there is a circle around the tower. Monsters 🎉 approach your tower from all directions and once they enter the circle, your tower will auto-attack the nearest one. Your 🎉 ultimate goal here is to defeat as many waves of monsters as possible. Your enemies become stronger with each wave. 🎉 Furthermore, their movement speed increases as well while you have a single shot. To deal with them, you have to 🎉 upgrade your tower in terms of attack, defense, and HP. Break a leg and challenge yourself in other fun Friv 🎉 10 tower defense games such as Run Evil Defenders and Tower Defense Super Heroes. Here at friv action, you can 🎉 earn gold coins from daily rewards, missions, and killing enemies and get silver coins from killing zombies. Gold coins are 🎉 used to unlock new abilities of your tower while silver coins are used to upgrade those abilities like increasing the 🎉 tower's attack range, attack damage, attack speed, critical chance, critical damage, and HP as well as reducing damage and so 🎉 on. The game offers 5 different worlds and now, 3 worlds are available. You have to kill all monsters in 🎉 the current world to move to the next one and it's not easy to finish the mission. If your tower 🎉 is destroyed, you have to start from the beginning.
