The Battle of Cannae was a decisive battle in the Second Punic War, where Hannibal's Carthaginian army annihilated a Roman and Italian army under the consuls Lucius Aemilius Paullus and Gaius Terentius Varro.

The Battle of Stalingrad was a pivotal battle in World War II, known for its extreme brutality and being one of the bloodiest battles in history.

GGPoker is a leading online poker platform that has gained significant recognition worldwide. Founded in 2014, the company is based in Vancouver, Canada. Despite its global presence, GGPoker has not yet obtained licenses to operate in the United States, where most gambling is conducted through regulated online platforms. According to Wikipedia (2024), GGPoker currently operates in Canada and Ireland. In addition, the company has recently acquired a license
