As we want to provide almost all Papa's games, it is time to add the other Papa's popular game Papa's Cupcakeria. I think the most of you have played it and sure that you love this game.

Papa's Cupcakeria is older than Papa's Pastaria, so I was found of the game. To tell the truth, sometimes I feel that I prefer playing Cupcakeria than Pastaria. But both of them is so great that people from all over the world love and cannot stop play them.

Instead of being forced to run the new business because Papa is a lazy jerk, this time you're working off a debt. As if making cupcakes to order fast food style weren't inherently hilarious and difficult enough, in addition to cranky customers, batters, frosting and more, you've also got the changing seasons to contend with and the holidays they bring!

Papa decided to open a new type of restaurant, where the residents of the city can eat delicious cakes, chocolates and sweet fruits. Also the restaurant offers different types of quality coffee and tea. As we know, all Papa's restaurants have a great service and it is law, that every customer should be content with food.

You work at the bar and you should take orders, make orders with your food and bring it to the customer.
