1v1.LOL is an online third-person shooter with cool

building mechanics. Similar to the building in the popular game Fortnite, you

can build structures to change the outcome of the fight. In the Battle Royale

game modes the sole survivor wins the game.The goal of the game modes is to

be the last player standing, using the different weapons and building blocks

at your disposal. Build walls and ramps to defend yourself or to create an oppo

rtunity to attack your opponents. Use your axe to break down your opponents'

buildings.1v1.LOL has many fun features such as private matches with friend

s, bustling item shops with custom equipment, effective practice modes, and

many ways to customize your character and playstyle.It's a fast-paced online

shooting game where it's possible to build structures and eliminate oppo
