Call of Duty: Warzone Mobile is an FPS that combines action and the Battle Royale genre to offer a realistic and highly addictive gaming experience. Since 2024, the free-to-play title has let players enjoy intense war conflicts for free on their PC or console. Now, Activision is going for a AAA experience where you will find a completely redesigned gameplay for mobile devices.

Paint and Run is a puzzle platform game where you drive a truck that spills paint, and your job is to paint every ground and surface you can get your wheels on. Drive into certain stops in the city as you can see on the map and start the level. You will automatically paint any surface you pass, which means the only thing you have to worry about is the law enforcement. Jump, bounce on spring-loaded platforms, avoid obstacles, smash security drones, collect stars, and unlock different types of cool vehicles! Are you ready for a colorful adventure?
