Some say it#39;s luck #128182; predicti ng corners in a football game, but we at AFootballReport find in corners very pr ofitable markets especially in live events #128182; when odds go very high as the game evolves.So how do we predict corners? Of course as any other football & #128182; prediction and corners are related to a number of pre-match and team f actors. First of all we should see the #128182; type of game we#39;re looking for or the type of game we want to predict. Is it a game with #128182; a stro ng favorite or just two equally strengthen teams that play. If it#39;s a game w ith a strong favorite probably #128182; we should pay attention to the corners race predictions as strong favorites always keep the ball in possession more th an #128182; the other teams and create more chances as they push forward almos t during the whole game. Keep in mind in #128182; live events that if the scor e is in favor of the favorite team then this team would not be so #128182; mot ivated to create chances and would probably win less corners than in a draw even t or from behind.</p><p>Second thing we #128182; should use when making our corners tips is t o see the teams lineups and tactic for the upcoming game. Target #128182; tea ms with more offensive tactics and teams that use wingers heavily in their attac
