Billing process. The billing process is a set of steps that a business follows to create and send invoices to its customers for the products or services provided. It typically involves gathering customer and product/service information, generating an invoice, sending it to the customer, and tracking payment.

Billing: What is it, Types, Process, How it Work, Format & Software - Happay : blog : billing

Once a parent is added to a student's account, they will automatically be added as a payer on the student's billing profile. They will have access to view billing information, add payment methods, and submit online payments.
