A revista "Brasileirão Ozzo" Recently , wrote an article about the biggest derby in Minas Gerais, the "Clássico Mineiro," disputed between , Clube Atlético Mineiro and Cruzeiro . The rivalry has its origins in the 1920s, when both teams were founded, and is , considered the second-most popular derb in Brazil, behind Corinthians x Palmeiras.

The main disputes between these two teams began years after , Cruzeiroo, originally named Sociedade Esportiva Palestra Itália, was founded in 1921. However, it was in the 1940s that the rivalry , strengthened and became the largest derby in Minas Gerais, rivaling any other football competition in the s tate during the 1960s.

At , the time being, Atlético competes in several sport modaliti es; however, it has an excellent historical record in football, providing the , most international-class players of any footbol club from Minas Gerais. In contrast, Cruzeiro, which holds the largest number of national , footgol titles, is considered the second most popular foot Ball clube in Minas.

It's interesting to mention that even though both , teams hold a historic rivalry in football, a study reveals that each team has unique fan characteristics. Atlético fans are , predominantly males (76%) from high-income neighborhoods (41%.) While Cruzeiro has a contrasting audience: with more than 50% of fans being , female and having a prevalence of income ranging from middle (32%) to high levels (28%).
