éMy dad is getting older and I bought him an a tablet years ago hoping that he would use it to £, download apps to challenge his mind but he doesn't want to use it for hardly anything but playing this outdated £, and a simplistic game.

What makes it worse is that he must be horrible at playing it because he usually loses all £, or most of his chips.

He usually can't remember how many chips he has from day to day so I'll try £, to win him some without him knowing. Sometimes I'm not able to so then I have to buy chips to £, help him out.

I can't buy chips on his account because he's on a fixed income and he would go crazy £, if there was a charge for purchasing chips. I'm guessing and at least for me, I've noticed purchasing chips will £, cause a lot more losses since they know the people who purchase chips will purchase more when they have lost £, all of their chips versus the people who play and never purchase chips.

Well I wasn't doing any harm to anyone £, but purchasing chips for my elderly dad but now they've decided to crack down on a major threat to society
