Each board's structure is very similar. The name of the game doesn't leave much to the imagination.

You guessed it - there are two simultaneous boards (see below). The game play is pretty much identical to Hold'em.

Each player is dealt two hole cards and then the flop is dealt followed by the turn and the river at the same time on each board (no change to the sequence). Each board will still have five cards and you'll be playing a game of Texas Hold'em.
