<p>Minecraft Classic is an online version of the famous open-world sandbox

building game. It is a remake of the original £ Minecraft and was released for

its 10th anniversary by the developer Mojang. In the game, players can build in

creative £ mode using 32 available blocks. The game has a multiplayer feature

so you can play with up to 8 friends.</p>

<p>History</p>

<p>Minecraft £ was first released to the public on 17 May 2009. Today it

is published in the exact state of its £ initial release. This means that there

are only 32 blocks that you can build with, and all the original bugs £ are in

there! So if you are used to the latest version, it can be quite a shock to see

£ how the game has evolved. To quote Tom Stone from Mojang "With just 32

blocks to build with, all the £ original bugs, and an (inter)face only a mother

could love, Minecraft 2009 is even more glorious than we remembered!"</p>
