[Call of Duty 2 for the Xbox 360](#) was one of the most popular online games for the console for the first two years of its release. The maps in Call of Duty 2 vary from Normandy, Africa, and Russia during the winter.

Call of Duty 2 is a first-person shooter game developed by Infinity Ward and published by Activision. It is a sequel to Call of Duty: Modern Warfare. The game is set during World War II and features a campaign mode and a multiplayer mode. The campaign mode is set in a fictional area of France and follows the story of a soldier named Private James Earl Rudder. The multiplayer mode is set in various locations around the world and features a variety of weapons and maps.

In addition to its focus on intensity and realism, Call of Duty 2 also emphasizes its historical accuracy. All military units in the game actually existed and all of the battles portrayed did occur (although not exactly as depicted in the game).
