In 2024, Apple announced that as of September,

it would only allow gambling apps native to iOS to be hosted in its App

Store.

This change was due to the fact that many gambling apps were

'container' apps, as they essentially repackaged their websites into ap

ps, which was easier for developers to maintain.

Now, Apple does

allow gambling apps on their app store

as it stands, so people are

able to download and play them on their iOS-based devices such as iPhones and iP

ads. The app developers and gambling operators do have to follow a strict set of

rules to be able to get their app out to the masses though.
