<p>Cool 2-player games to play with your friends</p>

<p>2-player games are fun games designed for two people to share the

keyboard and play together. So pull up an extra desk chair, because here at Kizi

you'll find all of the most popular two player titles like the Fireboy and

Watergirl series, the Money Movers adventures, and many more! In each of t

hese games, the players each control one of two characters using the arrows and

WASD keys. Each character has unique abilities that complement the skillset

of the other. Choose your character and work together to clear all of the

obstacles. You'll have to communicate with your partner to solve each challengin

g puzzle level, because you won't make it without good teamwork. It's not e

nough for just one character to reach the door to the next level, you both

have to make it there. If one character dies along the way, both players will ha

ve to start the level over!</p>

<p>Whether you're helping the two adventurers escape from a space prison,

navigating a dangerous temple full of deadly traps, or trying to reunite tw

o lovers, communication is key! Each level of these 2-player games is littered w

ith levers, buttons, elevators, hatches, trapdoors, and dangerous enemies.

Help each other along by activating the right doors and machines by finding

the matching buttons and levers. Sometimes only one of the two characters will

be small enough to crawl through a narrow passage or big enough to lift a h

heavy roadblock. Figure out how to clear a path for your partner. At other t

imes, you'll need to give each other a boost to reach a particular platform, and

fetch a crate or ladder for your teammate to use. Combine the strengths an

d weaknesses of both characters in order to complete each level without dyi

ng!</p>
