<div class="hwc kCrYT" style="padding-bottom:12px;padding-top:0px"><div><div><div><div><div><div><div></div>

Krav Maga's emphasis on real-world self-defense and potentially lethal techniques makes it less suitable for the regulated environment of MMA competition. 1. Krav maga techniques are designed for survival and often escape rather than "victory" or dominance.</div></div></div></div></div></div></div></div>
